

# Axcess™ Walmaster™

Workstation Organizers for  
walls, panel systems or desks.

from **npsg**

# Turn empty walls or divider panels

*Brackets allow you to mount rails to a wall or panel system. Brackets adjust to any position so you can mount them directly into wall studs or to different panel widths.*

## Walmaster™ Rail Systems and Brackets

Walmaster™ Rail Systems utilize unused wall or panel space to create cleaner, more productive work areas. Sleek, heavy-duty anodized aluminum rails with a silver finish mount easily to walls or to any standard slotted panel system using the appropriate mounting brackets (sold separately). Rails are available in 30", 36", or 48" lengths depending on your desk configuration, or mount multiple rails, one on top of the other, as shown.

Walmaster™ helps eliminate the files, supplies, and piles that clutter desks by turning idle space into efficient "working space". Simply mount the rail to your wall or panel system, add the accessories you want (listed on the opposite page), and turn bare walls into walls that work. End caps are available in gray or black.

*Keep clutter off your desk and turn bare walls into walls that work.*

## Walmaster™ Accessories

A wide variety of hook-on accessories keep current files, supplies, media, and frequently referenced materials in full view, organized and close at hand. Each accessory has been specifically designed to provide a better organized and more spacious work area. Accessories attach directly to the system rail without tools and can be easily repositioned as your needs change. Each accessory is quality-constructed from fully welded heavy-gauge steel, and accented with a stylish perforated pattern. A silver powder-coated finish provides long-lasting durability.

*Use as many accessories as you need to create a customized organizing system.*

## Desk-Mount Walmaster™ System features add-on capabilities.

Don't have walls? No problem! Walmaster™ posts hand-tighten directly onto the edge of any work surface and have been especially designed to hold the Walmaster™ rail and accessories.

*Clamp mounts to any surface with a minimum of 1" overhang.*

Posts also feature steel-reinforced center cores that enable you to mount additional workstation accessories such as our Task Lamp, Phone Arm, 10-Pocket Organizer, and more. Posts and rail endcaps are available in gray or black.

Model	Description
N30DR . . . .30" w Desk-Mount Walmaster™ Rail	
N36DR . . . .36" w Desk-Mount Walmaster™ Rail	
N48DR . . . .48" w Desk-Mount Walmaster™ Rail	

## Desktop accessories mount directly into your Walmaster posts for added space savings and organization.

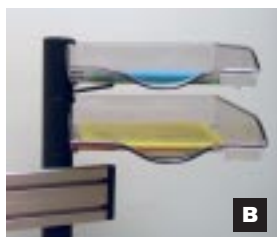

These optional accessories add utility and help keep everything off your desk. This modular system enables you to add an Extending 10-Pocket Organizer, Letter Trays, Task Lamp, Phone Arm, or SwingShelf directly onto the posts of the Desk-Mount Walmaster instantly. No tools required. Available in gray or black.

Model	Description
A 777010WM . . . . .	10-Pocket Arm Organizer Add-on
B 720050WM . . . . .	SwingFile Letter Trays (2) Add-on
C 73105WM . . . . .	Task Lamp Add-on
D 714050WM . . . . .	Telescoping Phone Arm Add-on
E 73400WM . . . . .	SwingShelf Add-on

### 10-Pocket Arm Organizer

3-position extending arm puts 20 pages of reference material in perfect view.

### SwingFile Letter Trays

Two trays swivel independently and remove completely for retrieval of important papers.

### Task Lamp

Articulating arm allows an infinite number of positions, and 13-watt bulb with diffuser creates glare-free performance.

### Telescoping Phone Arm

Keeps phone up and out of the way. 13" arm extends an extra 6". Phone platform swivels.

### SwingShelf

Swiveling 13" w x 12" d shelf is perfect for keeping binders, books, or manuals right at your fingertips.
