

Access™ Kwik-View Organizers

Adjustable viewing angles put critical information right where you want it.

from **npsg**

Save Time and Money.

Put schedules, directories, and reference information at your fingertips for easy access. A Kwik-View Organizer gets rid of unsightly papers tacked and taped to your walls and keeps your desk clear of clutter.

Desktop Organizer

The Kwik-View Desktop Organizer includes 10 transparent one-piece injection-molded plastic pockets in assorted frame colors that accommodate an 8½" x 11" page with ease. Pockets turn smoothly and can be removed easily for updates or photocopies.

The weighted base can be adjusted with a simple twist of a knob to provide the best viewing angle. It is made from tough, rigid plastic and is available in either light gray or dark gray.

Fully opened the Kwik-View Organizer measures 19"w x 13½"h x 11½"d.

Item	Model No.
10-Pocket Desktop Organizer displays 20 documents	KVD20

Wall Organizer

The Wall Organizer has the same hand tightening knobs so you can adjust the viewing angle and comes with wall mounting hardware.

10-Pocket Wall Organizer displays 20 documents	KVW20

Place the Kwik-View at the angle that best fits your particular application.

Wall Mount Kwik-View keeps clutter off your desk while keeping documents close by.

Convenient knobs hand-tighten to allow you to adjust your organizer to the optimum viewing angle without tools.

The Kwik-View Add-on Set

Increase your Desktop Organizer's capacity at any time with an optional Add-on Set. The Add-on Set snaps onto your existing Organizer in seconds without tools. It includes 10 pockets and base extension. It is recommended that a maximum of five add-on units be used for optimum stability.

10-Pocket Add-on Set	KVDA20
