

Axcess™ MAGNifiles

Create hanging files
that are neat, organized,
and easy to identify.

MAGNifiles make filing quick and easy.

MAGNifiles' patented magnifying index lens doubles the print size of your file titles for fast identification. The full-length, 11" lens allows for more detailed labeling, dramatically reducing retrieval time. Add optional color-tipped indexes or alphabetical color-tipped indexes for even faster identification and retrieval.

MAGNifiles are the only hanging files that connect together accordion-style to prevent misfiled and lost papers between folders. Heavy-duty plastic supports glide effortlessly in your filing drawer and won't bend or break.

MAGNifiles are manufactured from heavy-duty, 150 lb. index stock for a lifetime of reliable use. Choose from three folder capacities: V-bottom, 1/2" Box-Bottom or 1" Box-Bottom.

Kraft MAGNifiles are made from heavy brown kraft. Colored MAGNifiles come in five each of five assorted colors. Fits all standard letter and legal size filing cabinets. All sold in sets of 25 with plain index strips.

Available Color-tipped and Alphabetical Index Strips.

11" long magnifying index lens doubles the print size of your file titles.

1/2" or 1" box-bottoms are factory-installed, laminated, and reinforced.

Thick-durable plastic supports glide smoothly in your filing drawer.

MAGNifiles connect together accordion-style to prevent misfiled and lost papers.

The index lens is permanently secured to the folder. No more lost tabs!

A spacious 11" index area provides more room for file titles.

PolyMAGNifiles are so strong, they come with a Lifetime Guarantee.

All of the benefits of MAGNifiles, plus the added benefits of super-durable polypropylene construction. Sturdy, water-resistant, tear-proof PolyMAGNifiles won't rip or dog-ear like ordinary hanging files. The result is the only hanging files that are guaranteed to last a lifetime.

PolyMAGNifiles feature a V-bottom with scoring to expand up to 2". They fit any standard file drawer or cabinet. And not just for a filing drawer... PolyMAGNifiles are perfect for use in mail carts — durable enough for heavy use, color-coded to organize by department, and the 11" wide magnifying lens provides easy-to-read titles.

PolyMAGNifiles are available in five each of five colors, letter and legal size. Translucent PolyMAGNifiles come in legal size only.

All PolyMAGNifiles sold in boxes of 25 with plain index strips.

PolyMAGNifiles are scored to expand up to 2" and hold an entire ream of paper!
