

Access™ Media Carousels

Store VHS tapes, DVDs and CDs
on rotating shelves.

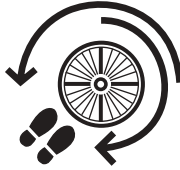

from mpsg

Instant access to multiple media types in a very small footprint.

With media carousels, you can display almost 700 DVD's or 450 videotapes in only 6 1/4 square feet! Media Carousels are ideal for libraries, schools, corporate media centers, TV and Radio stations...wherever a significant quantity of media needs to be displayed or stored in a limited amount of space.

Each tier of the carousel rotates independently for easy access by multiple users. Convenient dividers enable secure placement of DVD's, videos (in slip case or library case), CD's, books and more!

Choose from 4-tier or the high-capacity 7-tier model. The 4-tier carousel model comes with 5 heavy-duty casters for mobility. Assembly required.

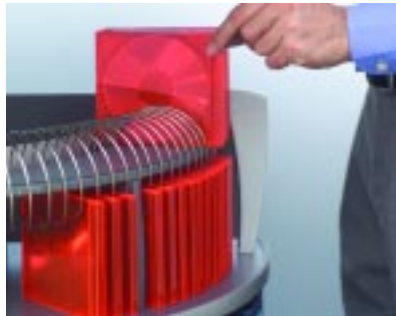

Each tier rotates independently from each other.

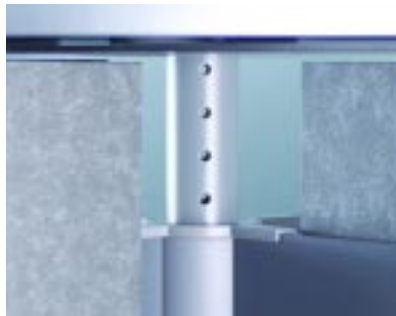

The high-capacity 7-tier Carousels maximize storage space using only 6 1/4 square feet of floor space.
