

Axcess™ Multi-Media Drawers

Customized media storage...
solutions to build on.

from **npsg**

Finally, a high-capacity, interlocking media storage system that grows with your needs...

Keep CDs, floppies, tapes and cassettes in the same file. Interlocking Multi-Media drawers enable you to neatly store all of your media in one convenient system whether you need it desktop, desktide or mobile. Storage you can build on at any time—vertically or horizontally.

The high-capacity drawers feature a metal lock and key for security, a large label area for easy identification and an integrated handle for easy access. Each drawer opens to its full depth for easy filing and retrieval of

those hard-to-reach disks at the back of your file. The specially designed anti-tilt base elevates the Multi-Media components 3 1/4" off the floor for convenience. Combine drawers with a trolley base for easy portability.

Choose an empty drawer and the inserts you need, or build a system with preconfigured drawers for today's most popular media types.

Item	Dimensions	Model No.
Multi-Media Drawer	16" d x 15 1/2" w x 7" h	1487
Contoured Base	16" d x 15 1/2" w x 3 1/4" h	1478
Trolley Base	16" d x 15 1/2" w x 5 3/8" h	1479
