## PortaFile™ Binders

- Made of thick 1.4 mm polypropelene
- Sewn nylon edges
- Label holders and color-coded finger rings provide clear identification
- "Cover Lock" allows binders to stand independently without spreading

Color-coded finger pull spine for quick and easy access.

D-rings hold 25% more sheets than O-ring binders.

Extra-wide covers prevent divider tabs from protruding.

"Cover Lock" prevents covers from spreading.

Presentation Binders are available in three sizes.

PortaFile Expanding Files retain their shape, stand upright and are easy to identify and access.

## Compare PortaFiles™ to traditional expansion files:

Thick silicone rubber gussets retain their shape.

Snap-on label holders clearly identify contents.

Front panels fold forward allowing easy access.

Sewn nylon edging

Model	Description	Size
