LG480	.SteelWorx Project Box-8"12¼" w x 9¼" h x 8" d
LG401	.SteelWorx Magazine File3⅞" w x 11⅞" h x 10" d
LG275	.SteelWorx 80-pocket Media Binder2¼" w x 11¼" h x 13½" d

Perfect for storing magazines upright, finger rings on both sides allow easy access from shelves and cabinets. Fabric pads on the bottom protect furniture from scratches.

Boxes fit standard letter size folders and keep projects close at hand. Recessed front panel allows easy access to files and fabric pads on the bottom protect desks and shelves from scratches.

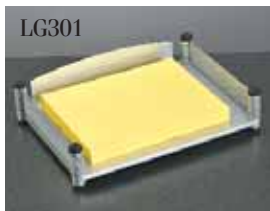

Heavy-duty D-Ring mechanism provides 25% more capacity than ordinary binders. Constructed of heavy-duty aluminum to maximize weight and optimize strength. 4 ring sizes to choose from.

Media Binders feature durable polypropylene pages with rigid center panels and clear pockets. A scratch resistant fabric lining keeps CDs protected. Holds up to 80 CDs.

SteelWorx Shelf Trolleys

Fully welded, heavy-duty steel trolleys are ideal for files, media, forms, binders and supplies.

All Trolleys have 30" wide heavy-gauge steel shelves that provide 12½" of clearance between shelves for tall items such as Magazine Files and Desksets. Rear support bars keep contents aligned and chrome retaining rods on the side panels act as bookends and keep items from falling over when the trolley is in motion.

All trolleys measure 33½" w x 16" d and have a durable electrostatically applied powder coat finish.

Four oversized 3" Rubber-rimmed casters (2 locking) roll quietly and effortlessly over carpet and tile.
