# SteelWorx Reference Systems

SteelWorx Desktop Organizers feature solid steel construction, four viewing angles, and black easy-load display pockets with index tabs. 10-, 20-, and 30-pocket models all feature stable bases with heavy-duty rubber connectors that can stack on top of other SteelWorx accessories.

For added functionality, purchase preconfigured kits. The organizer fits perfectly on top of other SteelWorx accessories including Letter Trays, Supply Drawers and Media Drawers.

Wall Organizer displays 20 pages and attaches to a wall with mounting hardware that is included, freeing up valuable desk space yet keeping documents within easy reach. Need more capacity? Mount additional units side by side.

LG310

LG41141

Hinges on the back of the desktop model allow you to instantly adjust the Organizer any of four different viewing angles. Simply slip the back plate into the desired slot.

| Model   | Description                                      |
