

Axcess™ StoreAll Trolleys

Store all of your active files at your fingertips.

from mpsg

StoreAll Trolleys keep files, media, forms and binders all in one place.

These value-added trolleys are made from fully-welded steel with shelf bars that provide optimum stability and storage space for binders, desksets magazine and literature files (sold separately). A rear horizontal support rod keeps stored materials aligned. Durable powder-coated textured finish resists scratches and fingerprints, and high-quality rubber-rimmed casters (two locking) glide smoothly and quietly over any floor surface.

The Double File stores two 15¼" deep rows of letter size hanging files and measures 28¼" w x 26" h x 17½" d. The Single File stores one 15¼" deep row of letter size hanging files and measures 15¼" w x 26" h x 17½" d. Both models fit neatly under standard desktops and are available in black or light gray. Light assembly is required.

Item	Model No.
Double StoreAll Trolley	SL5307
Single StoreAll Trolley	SL5308

Rubber-rimmed casters provide smooth, quiet transport.

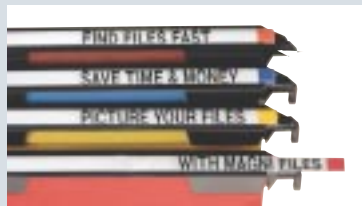

Durable powder coated finish resists scratches.

Accessorize your Trolley with other Access Products

Access MAGNifile Hanging File Folders The 11" magnified index doubles the size of file titles making it fast and easy to identify and retrieve files.

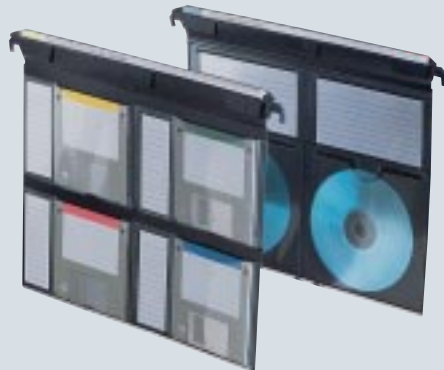

Fast file identification and retrieval saves time and money! Sturdy files interlock so papers don't accidentally get misfiled between folders. Color-coded label systems are available for even faster file identification.

Access Desksets let you store papers, forms and accessories that typically clutter your desk. Choose open front drawers to see what each drawer contains, or closed for neat, hidden storage.

MAGNifiles Box-Bottom and Expanding Hanging Files

MAGNifiles High-Capacity Hanging Media Files

Access Binders have unique, 3-position elliptical rings that completely overlap for easier page turning without pinching your fingers.
