

# Access™ WoodWorx Wall Files

Elegant Wall Files that hold File Folders, Medical Charts, Forms and more.

from mpsg

# Wall Files that look great alone or coordinate with other WoodWorx Kits and accessories.

Wall Files are great for easily accessing file folders, patient charts or forms. Constructed with solid wood sides and veneer front and back panels, these items are available in four finishes and match perfectly with other WoodWorx products. Each pocket measures 12½" wide and holds up to ¾" of materials. Wall mounting hardware is included or use optional Accessory Feet to convert the 10-pocket into a free-standing unit.

Available in four finishes:

*Cascading design allows you to see and access multiple files instantly. Large cutouts allow you to easily remove files.*

*Optional Accessory Feet can be added to make 10-pocket units free standing.*
