Axcess™ The World's Best Monitor Arms

Our exclusive line of flat-screen monitor arms increase valuable work space while providing effortless positioning of your LCD monitor.

These extraordinary designs are constructed of the highest quality powder-coated aluminum and space-age plastics with steel pivots, springs, clamps and mounting plates. Compatible with all LCD monitors using VESA 3" x 3" and 4" x 4" standards, Axcess™ Monitor Arms are superior designs that are infinitely adjustable, extremely easy to use and even feature age-fatigue safeguards. Both monitor arms feature integrated cable management and come with both VESA mounting plates. Choose the easy to use Universal Desk Clamp or any of 3 special purpose mounting systems.

Axcess 2-Link Arm

The Axcess™ 2-link LCD Flat-Screen Monitor Arm reclaims valuable workspace and offers the world's easiest positioning. Simply grasp the monitor and move it where you want it. Raise, lower, pivot, tilt, extend, contract, and rotate it a full 360° all without levers, buttons, lifting or straining. The double-link spring-loaded arm provides infinite adjustability for a truly ergonomic and comfortable work environment.
